

Heavy Equipment Operator/Laborer

Wildlands Construction is seeking motivated, dynamic professionals to join our growing team. Our team is tasked with building the most complex, unique, and creative stream and wetland restoration designs in the industry. Wildlands Construction works solely for its parent company, Wildlands Engineering, Inc. This “in-house” work makes for a close, collaborative, and highly supportive working relationship with the engineering team. With industry leading benefits and pay, this is an incredible opportunity. All construction team members roles will involve hands-on work, coordination with team members and report to the Director of Construction. We emphasize that everyone, in every role, is important to the successful outcome of the project.

Primary Duties and Responsibilities:

- Perform required labor involved in construction and maintenance projects as part of a crew.
- Operate heavy equipment and machinery including excavators, dozers, farm machinery and off-road trucks required for the construction, maintenance, and repair of stream restoration projects.
- Use hand tools such as sledgehammers, and a variety of other equipment and instruments.
- Perform duties such as installing coir matting, wooden stakes, filter fabric, safety fences or silt fences, spread seed and straw or assist other team members setup bypass pumps.
- Successfully execute multiple tasks simultaneously and effectively communicate using hand signals.
- Perform all duties in conformance to OSHA and all applicable safety regulations and standards.
- Read, interpret and understand project plans and construction specifications.
- Prepare worksite, load, unload and stage construction materials.

Required Skills:

- Must be an active listener, giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate and not interrupting at inappropriate times.
- Speak and communicate with others to convey information effectively.
- Demonstrate the ability to read and understand written sentences and paragraphs in work related documents including site plan and construction design documents.

Physical Requirements:

- Must be able to remain in a stationary position for 50% or more of the time.
- Ability to move about on uneven terrain.
- Ability to move heavy objects and tools while using abdominal and lower back muscles to provide support over time without fatigue.
- Position requires constant movement and use of limbs, excellent manual dexterity, coordination and stamina. Must be able to quickly move arms and legs.
- Must have the ability to regularly use hands to handle, feel or operate objects, tools or controls and reach with hands and arms.
- Ability to frequently lift or move up to 50 pounds and occasionally lift or move up to 100 pounds.

Working Conditions:

- Requires working in outside weather conditions with frequent exposure to wet and humid conditions, extreme heat (above 90 degrees F) and extreme cold (below 32 degrees F).
- Requires working in extremely bright or inadequate lighting conditions.
- Includes exposure to sounds and noise levels that are distracting and/or uncomfortable.
- Requires working in muddy ground conditions.
- Requires regular work near moving mechanical parts and vibration in a loud environment.

Other Requirements:

- Minimum 1 year of experience with heavy equipment operating principles.
- Minimum high school diploma or equivalent.
- Valid driver's license with a driving record acceptable to Wildlands' insurance carrier.

Preferred:

- Experience with GPS Machine Grade Control preferred.
- Specific knowledge of methods, materials and tools used in stream restoration and site preparation is preferred.
- Trade school is preferred.

Hours and Travel:

- Full time, non-exempt. This position frequently requires overtime.
- Travel is primarily during the business day, although some out-of-area and overnight travel may be expected.

Note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time or without notice.
